

**WOMEN
ADVOCATING FOR
CHANGE (WAC) :
2019 REPORT**

MISSION STATEMENT

WOMEN ADVOCATING FOR CHANGE aims to be

(1) a space to highlight women and their achievements, not solely in the context of their womanhood, but to recognize the power that women have as change-makers and leaders.

(2) A space to discuss their accomplishments and the advancements they have made to their fields.

(1) To foster an environment of constant learning, knowledge and awareness of the world in which we live.

(2) To be an inclusive space which may educate all people, regardless of identity.

(3) To be an inclusive space which may educate all people, regardless of identity.

(4) To create content which promotes activism and awareness in a positive and encouraging manner, without shying away from facts.
